## SUMMER INTERNSHIPS WITH ENDURANCE

## INTERNSHIP AT ENDURANCE

Endurance's Summer Internship Program is a paid, ten week program that offers students the opportunity to enhance their education and obtain hands-on insight into the insurance business. The program incorporates a range of experiences including:

- Classroom and on the job training
- Executive Lunch and Learn speaker series
- Broker presentations from major brokerages such as Marsh & Willis
- Social and corporate events
- Cross-functional group projects

Every intern becomes a member of an Endurance department for the full duration of the program and works on projects that have an impact on the business. From processing policies to meeting with brokers, Endurance interns work alongside their managers to deliver results and apply their classroom experience in real-world situations.

## PROJECTS & NETWORKING

In addition to departmental projects, interns participate on cross-functional team projects working alongside other interns. Each project explores a current Endurance business need and involves conducting research, developing a thesis and presenting the group's findings to our executive team.

At Endurance, our employees enjoy sharing their experiences and insights, mentoring our interns and helping them prepare for a career in insurance.

The internship experience culminates at the end of the summer with both an intern-specific social event and a company outing, where interns have the chance to interact with employees from all NY Metro Area offices – and more!

## SO YOU WANT TO INTERN AT ENDURANCE – WHAT DOES IT TAKE?

Some of the qualities that we look for in our summer interns are:

- Pursuing an undergraduate 4-year or master's degree
- GPA of 3.0 or higher
- Previous internship experience, preferably within the insurance industry

For those students graduating this coming spring, you are still eligible to apply for an internship, provided you commit to stay for the full program.

---

*To apply for an Endurance internship, please follow us on LinkedIn or visit Endurance's Careers page:*

**<http://www.endurance.bm/careers/index>**

*Please submit your resume, detailing your field of interest and desired office location.*

## WHAT FORMER ENDURANCE INTERNS SAY ...

*"Endurance's intern program is so much more than I expected. I'm doing meaningful work and have the opportunity to see the results."*

Ari A.

*"The culture at Endurance is very welcoming and supportive. I felt comfortable asking questions and networking with staff because everyone is so willing to help."*

Yaz B.

*"My overall knowledge, of not only the insurance industry but the business world as a whole, has vastly improved from my internship at Endurance."*

Stefanie R.
